Sir:

It has recently been brought to the attention of the undersigned that the above-identified application is no longer entitled to claim small entity status, but that the basic filing fee paid on October 10, 2001, was paid at the small entity rate. In accordance with 37 CFR \$1.28(c), it is requested that the error be excused. The only fee erroneously paid at a small entity rate is the basic filing fee paid on October 10, 2001. The current fee amount for a non-small entity is \$740.00. The small entity fee actually paid on October 10, 2001, was \$370.00. The total deficiency owed is thus \$370.00. Accordingly, attached herewith please find PTO-2038 in the amount of \$370.00 to complete the basic filing fee payment for a large entity.

As all of the requirements of 37 CFR \$1.28 have now been met, withdrawal of small entity status, excusal of the erroneous payment of the basic filing fee at the small entity
